

## Randall Library invites Seahawk Links to provide a tour of the library for the students in your First Year Seminar class.

One of the goals of First Year Seminar is: "*Students will understand and illustrate information literacy.*"

Information Literacy can be defined as, "the set of skills needed to find, retrieve, analyze, and use information" (Association of College & Research Libraries, 2010).

An important information literacy skill is the ability to effectively and efficiently use one's university library.

As a Seahawk Link, you can help first year students learn about this important campus resource!

### Resources to Help You Provide a Tour:

#### Tour Training

- Librarians will provide tour training for Seahawk Links. Meet at the Circulation Desk on any of the following dates to learn about highlights of Randall Library. The Circulation Desk is immediately on your left as you enter Randall Library.

#### Tour Scripts

- We have created a "script" if you would like to provide a short (15 to 20 minute tour) or an extended tour (30 minutes). This script provides up to date information about the library and is typical of a Librarian led tour.
