

### Assigned Teams for LIB 103 (Fall 2009)

**Team Grade:** You are assigned to partners to form a team. This team will work together on in-class assignments and together on Assignment #3 (Database Presentation). In-class work will be submitted by your team for grades representing 8% of your final grade (there are 8 in-class assignments). Your classmates and your instructor will assign you a grade based on your contribution and participation in the team worth 7% of your final grade (for a total of 15% of your final grade).

Your assigned database and requirements for Assignment #3 will be assigned to your team on 10/8 and your presentation will be on 10/22. The presentation is worth 10% of your final grade.
